To Whom it May Concern,

I am writing on behalf of I-924 Receipt Number RCW1518352770 for the Mayaguez USA Regional Center, LLC that was issued a Request for Evidence on August 28, 2017. As you know, the island of Puerto Rico was devastated by Hurricane Maria and much of the island is still without power and public services. Several items requested by USCIS will require accessing services that may not be available to the regional center for the foreseeable future. At this time, communication with the regional center principals has been challenging and it is difficult to predict when basic services will become available.

On behalf of the petitioners I am respectfully requesting additional time to respond to the Request for Evidence. If USCIS could reissue the RFE with an additional 90 days, this will hopefully provide enough time to allow Puerto Rico to recover enough to allow the petitioners to address items to USCIS's satisfaction. Depending on the status of services being restored, we may request additional time if necessary.

Thank you for your understanding,

Alan Richey

Dear Officers:

I risk appearing bothersome to request a quicker adjudication on the RFE response we sent on November 13, on this basis that might not be evident from a case list: The RFE was quite limited to essentially perfunctory information including the address of the regional center, the signed hotel management agreement, and the specific operational positions and timeline. All were crisply supplied in the response.

My point is that with very few resources expended USCIS could add a quick completion. (In addition, this project already being shoveled could avoid being held up with a lot of political sensitivity in Puerto Rico).

I appreciate your consideration.

Best regards,

Robert Divine

Dear Officer(s):

As evidenced by the attached receipt notice, I represent Iconic Caribbean EB-5, LLC in its I-924 amendment application requesting exemplar project approval.

On November 13, 2014, we submitted a comprehensive response to the Request for Evidence issued by USCIS, which included documentation of the various arrangements with Four Seasons Hotels, evidence of the continued and active standing of the new commercial enterprise, and various documents (job descriptions, timetable, organizational chart) detailing the project's required staff.

As we approach 60 days past the RFE response submission, the client is quite eager for approval to support marketing the project. Please let us know if we can provide any further assistance in resolving questions raised in the RFE to facilitate the adjudication of this application. We would also appreciate any status update you can provide.

Thank you in advance for your time.

Best regards,

Robert C. Divine

Dear Officer:

Thank you for providing us with the courtesy copy of the I-924 approval notice. We noted an incorrect entity name on page 3 of the notice and would appreciate a corrected notice to avoid any potential confusion for investors. The General Partner of the new commercial enterprise is "**EB5U PR, LLC**" and the approval notice incorrectly refers to the General Partner as EB5 United Puerto Rico, LLC.

I have attached the certificate of formation for the new commercial enterprise (previously provided in Exhibit 4 with the I-924 filing) and the correct entity name for the General Partner is listed on p. 3.

The sentence on page 3 should therefore read: "The NCE will be comprised of a General Partner (EB5U PR, LLC), and the Limited Partners, or EB-5 foreign investors."

Thank you in advance for issuing a corrected approval notice with the proper entity name reflected on page 3.

Dear USCIS - Immigrant Investor Program Officer:

In response to your March 18, 2015 email inquiry referenced above, please note that the only Regional Center that is sponsoring the project developed by Resort at Cayo Largo, LLC (the "Project") is Iconic Caribbean EB-5, LLC.

There may have been confusion that another Regional Center in Puerto Rico (the Puerto Rico Provident Regional Center, LLC) was sponsoring the Project due to the fact that such Regional Center was approved as a Regional Center with the Project as an actual project. However, the Puerto Rico Provident Regional Center, LLC is no longer the sponsor of the Project and we attach a copy of a letter from the Puerto Rico Provident Regional Center, LLC confirming this fact. (We will overnight you an original of such clarification letter for delivery on or about this Friday, March 20.)

We trust that this correspondence is responsive to your request for clarification. We look forward to a positive completion of our I-924 amendment/exemplar and we appreciate your work in this regard. Please contact me if there are any further inquiries.

Dear USCIS - Immigrant Investor Program Officer:

In response to your March 18, 2015 email inquiry referenced above, please note that the only Regional Center that is sponsoring the project developed by Resort at Cayo Largo, LLC (the "Project") is Iconic Caribbean EB-5, LLC.

There may have been confusion that another Regional Center in Puerto Rico (the Puerto Rico Provident Regional Center, LLC) was sponsoring the Project due to the fact that such Regional Center was approved as a Regional Center with the Project as an actual project. However, the Puerto Rico Provident Regional Center, LLC is no longer the sponsor of the Project and we attach a copy of a letter from the Puerto Rico Provident Regional Center, LLC confirming this fact. (We will overnight you an original of such clarification letter for delivery on or about this Friday, March 20.)

We trust that this correspondence is responsive to your request for clarification. We look forward to a positive completion of our I-924 amendment/exemplar and we appreciate your work in this regard. Please contact me if there are any further inquiries.

Regards,

Robert Lowe

Dear Officer:

Thank you for providing us with the courtesy copy of the I-924 approval notice. We noted an incorrect entity name on page 3 of the notice and would appreciate a corrected notice to avoid any potential confusion for investors. The General Partner of the new commercial enterprise is "EB5U PR, LLC" and the approval notice incorrectly refers to the General Partner as EB5 United Puerto Rico, LLC.

I have attached the certificate of formation for the new commercial enterprise (previously provided in Exhibit 4 with the I-924 filing) and the correct entity name for the General Partner is listed on p. 3.

The sentence on page 3 should therefore read: "The NCE will be comprised of a General Partner (EB5U PR, LLC), and the Limited Partners, or EB-5 foreign investors."

Thank you in advance for issuing a corrected approval notice with the proper entity name reflected on page 3.

Best regards,

Robert C. Divine

Dear Officer:

Thank you for providing us with the courtesy copy of the I-924 approval notice. We noted an incorrect entity name on page 3 of the notice and would appreciate a corrected notice to avoid any potential confusion for investors. The General Partner of the new commercial enterprise is "EB5U PR, LLC" and the approval notice incorrectly refers to the General Partner as EB5 United Puerto Rico, LLC.

I have attached the certificate of formation for the new commercial enterprise (previously provided in Exhibit 4 with the I-924 filing) and the correct entity name for the General Partner is listed on p. 3.

The sentence on page 3 should therefore read: "The NCE will be comprised of a General Partner (EB5U PR, LLC), and the Limited Partners, or EB-5 foreign investors."

Thank you in advance for issuing a corrected approval notice with the proper entity name reflected on page 3.

Best regards,

Robert C. Divine

Subject: RE: Related to Live in America NOITs

Dear Immigration Service Officer:

Thank you very much for your response regarding the Live in America Regional Center NOITs. We appreciate the Immigration Service's understanding about our clerical error. Of course, going forward we will file our I-924a's at the proper address you list below.

We have a few questions regarding your e-mail response:

1. May we consider all NOITs based on failure to file I-924A annual reports related to our Regional Centers withdrawn, and that the Regional Centers are currently in good standing? We wish to confirm this because we believe good practice would require us to disclose any pending NOITs, which would have the effect of stopping any activity at the affected Regional Centers. If we can confirm that the NOITs are withdrawn and the Regional Centers are in good standing, there would be no disclosure issue. Will we receive any formal withdrawal notice for the NOITs associated with our Regional Centers?
2. Since you have forwarded the I-924As listed below to the address as instructed, may we consider those I-924As filed? Should we file another copy of the 2014 I-924As for those Regional Centers listed below?
3. Regarding EB-5 Jobs for Hawaii LLC (RCW1031910167), we will promptly send the fiscal year 2014 I-924A to the appropriate address. If we do so, may we consider the NOIT for that Regional Center withdrawn, as well?
4. We did not receive a NOIT for Live in America – Indiana, Michigan, Ohio Regional Center (RCW1331851282). The 2014 I-924A for this Regional Center was sent to the Immigrant Investor Program Office in Washington, DC in November 2014, as well. We will send a copy of that I-924A to the California address, as well. Please confirm that, subject to us filing that I-924A at the appropriate address promptly, that Regional Center remains in good standing as of today.

Again, we appreciate the Immigration Service's understanding. Obviously we have ambitions to help the program achieve its potential on a large scale. We take our obligations associated with the program very seriously, and we hope to administer our Regional Centers in a responsible way for many years to come.

Sincerely,

As a result, the EB-5 JOBS HAWAII LLC I-924A contained in your NOIT response is being returned to you because it was not submitted in accordance with the I-924A form instructions. Please submit the I-924A for EB-5 JOBS HAWAII LLC in accordance with the form instructions. For future reference, you must submit Form I-924A in accordance with the form instructions. Dear Immigration Service Officer:

Thank you very much for your response regarding the Live in America Regional Center NOITs. We appreciate the Immigration Service's understanding about our clerical error. Of course, going forward we will file our I-924a's at the proper address you list below.

We have a few questions regarding your e-mail response:

1. May we consider all NOITs based on failure to file I-924A annual reports related to our Regional Centers withdrawn, and that the Regional Centers are currently in good standing? We wish to confirm this because we believe good practice would require us to disclose any pending NOITs, which would have the effect of stopping any activity at the affected Regional Centers. If we can confirm that the NOITs are withdrawn and the Regional Centers are in good standing, there would be no disclosure issue. Will we receive any formal withdrawal notice for the NOITs associated with our Regional Centers?
2. Since you have forwarded the I-924As listed below to the address as instructed, may we consider those I-924As filed? Should we file another copy of the 2014 I-924As for those Regional Centers listed below?
3. Regarding EB-5 Jobs for Hawaii LLC (RCW1031910167), we will promptly send the fiscal year 2014 I-924A to the appropriate address. If we do so, may we consider the NOIT for that Regional Center withdrawn, as well?
4. We did not receive a NOIT for Live in America – Indiana, Michigan, Ohio Regional Center (RCW1331851282). The 2014 I-924A for this Regional Center was sent to the Immigrant Investor Program Office in Washington, DC in November 2014, as well. We will send a copy of that I-924A to the California address, as well. Please confirm that, subject to us filing that I-924A at the appropriate address promptly, that Regional Center remains in good standing as of today.

Again, we appreciate the Immigration Service's understanding. Obviously we have ambitions to help the program achieve its potential on a large scale. We take our obligations associated with the program very seriously, and we hope to administer our Regional Centers in a responsible way for many years to come.

Sincerely,

Adam Greene

Dear Immigration Service Officer:

Thank you for your continued correspondence related to our Regional Centers. I am attaching receipt notices for 17 of our Regional Centers' 2014 I-924a Annual Reports. Please note that the Immigration Service was kind enough to acknowledge receipt of these forms in November of 2014. We hope that this should fully and finally address the NOITs for these 17 Regional Centers.

Could the IPO now confirm that these 17 Regional Centers are in good standing?

If we need to wait for a reaffirmation notice for these Regional Centers, when we might expect the reaffirmation notices?

We are finalizing PPMs for deals in some of these Regional Center territories, so we are eager to clear up this issue. We believe the clerical issue that is the subject of the NOITs has been fully addressed, i.e., the receipts acknowledge that we filed the relevant 924a forms for these regional centers on time.

Thank you for your assistance. Sincerely,

Adam Greene

Dear Robert Lowe,

USCIS has determined that Iconic Caribbean EB-5, LLC (ID1206050605) appears to share a project (Resort at Cayo Largo, LLC) with one or more Regional Centers. While it is permissible for more than one Regional Center to share a Job Creating Enterprise (JCE), evidence in the record must clearly stipulate such an arrangement with a full discussion of: how job creation will be apportioned between the sharing regional center entities; how the reporting of investment and job creation will be reported in I-924A annual filings; and the mechanisms to provide the administration and oversight that will ensure that investments and resulting jobs will not be double-counted.

Currently your application is missing such documentation. Please provide explanation/documentation detailing how your RC will apportion the new project jobs created; how the reporting of investment and job creation will be reported in I-924A annual filings of the different regional centers; and the mechanisms to provide the administration and oversight that will ensure that investments and resulting jobs will not be double-counted.

As a courtesy, USCIS is providing you with 10 business days from the date of this email to provide updated evidence. If a response is not received within 10 days, we will proceed with the adjudication of your application as submitted.
